children’s flight of hope
WE FLY FOR THEIR LIVES
Children’s Flight of Hope is changing the way kids with serious illnesses and injuries are treated by providing access to specialized medical care that might otherwise be out of reach. We are getting treatment off the ground and helping HOPE take flight.

**Priorities For Growth**

**Compassion**
CFOH provides services with kindness and empathy in a way that brings comfort to families facing significant health crises. We become a dependable resource that our families can rely on during the most critical times.

**Financial Responsibility**
We are committed to financially responsible decisions that ensure that all donor funds are used properly and efficiently.

**Responsiveness**
CFOH provides prompt and courteous service to those who request our services, those who support our organization and all those with whom we interact.

**Transparency**
CFOH maintains the highest level of integrity and transparency, particularly related to organizational finances and operations.

**Safety**
CFOH prioritizes the safety of our families during all aspects of air travel, both commercial and private.

**Gratitude**
CFOH is appreciative of the many donors, volunteers and supporters who make our mission possible. We strive to show this gratitude daily in all of our interactions.
The generosity of our partners directly ensures the sustainability of our mission delivery. Support from individuals, families and corporations allows us to serve an ever-growing number of children for the duration of their medical treatment. Our Golf Classic provides hope to children such as Alana.

Just before her 2nd birthday, Alana was diagnosed with retinoblastoma, a rare form of eye cancer. Alana battled for the next three years through a difficult regimen of intensive chemotherapy and cryotherapy. Each treatment required a trip from her home in Charlotte, North Carolina to a specialist in Philadelphia. Children’s Flight of Hope made Alana’s travel possible and we’ve been thrilled to hear of her steady improvement. Alana is now a joyful and caring six-year old, who loves dance, dress-up, pizza, and playing with her little brother and sister. She has completed 25 flights with CFOH and best of all, her recent appointments showed no signs of tumor growth and 20/30 vision in her affected eye.

“WE ARE SO THANKFUL AND GRATEFUL FOR CHILDREN’S FLIGHT OF HOPE. CFOH HAS BEEN SO INSTRUMENTAL IN AIDING OUR FAMILY FOR ALANA TO RECEIVE THE CARE TO SAVE HER LIFE.”

– ALANA’S PARENTS
